10:28:35 From Jessica Garcia to Everyone: Any speakers who can do a workshop on digital literacy that any of you can recommend?

10:29:43 From Paz Delsid to Everyone: Please seek out help from the librarians at your university. I can also share some resources with you.

10:33:09 From Sharon Goldfarb to Everyone: Cultural humility not competency and for faculty and students

10:35:57 From Brooke Briggance (she/her) to Everyone: Our program Cypress has been getting so many requests from health systems/professionals and pathways to talk about toxic stress management and burn-out, vicarious trauma and trauma informed supervision/management. So I agree with Araceli that a chosen focus on leveraging inherent community resilience to develop a deep dive here on wellness is important.

10:40:56 From Jocelyn Estiandan to Everyone: Jocelyn Estiandan, Los Angeles County Dept. of Public Health, Integration Unit Director

10:40:58 From Manuel Tapia to Everyone: Manuel Tapia, Family & Community Doc at UCSF/SFGH, Director of Health Workforce Initiatives at UCSF Latinx Center of Excellence (LCOE)

10:41:05 From Connie Williams to Everyone: Connie Williams. CTE Health Careers Program Director. connie_williams@pvusd.net

10:42:06 From Glenda Monterroza, Kaiser Permanente to Everyone: Jeff- Can you convene some key funders together? Really great insights here. I some funders here but many more could benefit from these findings.

10:42:57 From Brooke Briggance (she/her) to Everyone: Brooke Briggance - Dir Cypress Resilience Project and Dep Dir FACES for the Future - both at Public Health Institute.

10:43:02 From Jackie Lisby (she/her/ella) to Everyone: Jackie Lisby, Alameda Health Consortium, Senior Program Manager

10:43:30 From Kaitlin Jackson, CMSP to Everyone: Kaitlin Jackson, California Medicine Scholars Program, Associate Director

10:43:59 From Jessica Garcia to Everyone: Jessica Garcia, California Medicine Scholars Program, Senior Program Specialist

10:44:58 From Xochitl Castaneda to Everyone: HEALTH EDUCATION FOR LATINOS PROGRAM (HELP) <https://www.help-fund.net/scholarships>

10:47:29 From Sharon Goldfarb to Everyone: Important legislation to get nurse faculty salary more robust to deal with the nurse education workforce shortage- please sign and promote. https://p2a.co/Nwo0NEh?utm_medium=email&_hsmi=294320147&utm_content=294320147&utm_source=hs_email&resetcookie=1

10:47:40 From Irene Ornelas to Everyone: Irene Ornelas - Project Manager Behavioral Health Workforce Pipeline Chabot-Las Positas Community College District. Our program is utilizing HCAI funding not only for behavioral careers awareness but launched a Behavioral Health & Support Specialist apprenticeship, the first cohort is in their 2nd semester. iornelas@clpccd.org

11:02:37 From Glenda Monterroza, Kaiser Permanente to Everyone: This is really exciting Jeff! I need to hop off. But if anyone wants to connect I'm at Glenda.Monterroza@kp.org. I focus on our community partnerships and grants for equitable career pathways.

11:12:06 From Sharon Goldfarb to Everyone: Coadn/cacn annual conference would be a great place to present (2023: <https://coadn.org/events/fall-2023-coadn-cacn-conference>)

11:13:45 From Dena Bullard - UC Health to Everyone: This is awesome, Jeff! have you identified champions within the legislature to support this effort or is that part of the plan?

11:14:22 From Sharon Goldfarb to Everyone: Buffy Wicks is very open to this too

11:15:22 From Jeff Oxendine, Health Career Connection (he/him) to Everyone: Here is our Senior Director of Project Management and Operations for this initiative. Please recommend us great candidates- <https://www.linkedin.com/jobs/view/3835853050/>

11:38:24 From Paz Delsid to Everyone: The full report is posted online: <https://chpc.ucsf.edu/member-meetings>

11:40:51 From Manuel Tapia to Everyone: Here is a link to a peer-reviewed publication: <https://journals.plos.org/plosone/article?id=10.1371/journal.pone.0296741>

11:40:52 From Trejo, Esmeralda N. to Everyone: Thank you for this report! It definitely validated the challenges I have seen personally and among colleagues from across the CSU and UC. YES! I agree training is much needed.

11:42:49 From Dena Bullard - UC Health to Everyone: Will share this with our colleagues here at UCOP who oversee undergraduate advising.

11:44:43 From Stephanie Huerta Alvarez to Everyone: 100% agree on the manageable course load. I have met so many pre-meds feeling the pressure to take on crazy amounts of credits and finishing in 4 year at the expense of not getting the highest marks.

11:45:44 From Paz Delsid to Everyone: I have requested slides from all presenters. Once received, they will be added to the meeting page for CHPC, here: <https://chpc.ucsf.edu/member-meetings>

11:50:37 From Paz Delsid to Everyone: CMSP Website:
<https://californiamedicinescholarsprogram.org/>

11:58:06 From Dena Bullard - UC Health to Everyone: Thanks for sharing the data! What outreach are you doing to increase the number of Black, Native, and NH students to participate in the program?

12:01:18 From Jessica Garcia to Everyone: All events/workshops hosted by our coordinating office are open to ALL students. Not just CMSP students.

12:01:31 From Sos Nazaryan to Everyone: Kaitlin Jackson (kjackson@foundationccc.org), Jessica Garcia (jessicagarcia@foundationccc.org), Sos Nazaryan (snazaryan@foundationccc.org)
