

VIRTUAL SUMMER 2021

June 21st - July 30th

REGISTER NOW!

FSMA gives high school students ages 15+ in-depth, hands-on opportunities to explore their interests in health, clinical skills, and the art of medicine. Join us on Zoom for a transformative summer experience!

Block I: June 21 - July 2: \$1000

Days: Monday, Wednesday, Friday

Times: 10:00 - 11:30 am and 1:30 - 3:00 pm

Workshops Include:

"Pathology: What Goes Wrong with the Body?"

"Asking the Right Questions: Diagnosing Illness"

"How to Take Vital Signs"

Block II: July 12 - July 23: \$1000

Days: Monday, Wednesday, Friday

Times: 10:00 - 11:30 am and 1:30 - 3:00 pm

Workshops Include:

"CPR: How to Save a Life"

"Mental Health Diagnoses: Anxiety, Depression, & Psychosis"

"Clinical Skills Workshop: Practice Suturing"

NEW Block III: July 26 - July 30: \$1000

Days: Monday through Friday

Times: 10:00 - 11:30 am and 1:30 - 3:00 pm

Work in a team to *solve a medical mystery!*

Through this scenario-based workshop series, students will meet with medical professionals in practice and gain first-hand insight into diagnosis, treatment and care for a complex health issue.

Additional Offerings:

Mental Health First Aid

Certification for students: \$180

(6/29 and 7/1 from 10:00 am-12:30 pm: must attend both)

Youth Mental Health First Aid

Certification for Adults / Parents: \$180

(6/22 and 6/24, 9:30-11:30 am: must attend both)
